Thanks, Patty. I put a hold on my calendar just in case – it tends to fill up otherwise. Did you figure out the morning wrt whether it's okay for me to sit in?

Hi Jill-

As mentioned during our team meeting today, I sent invites to our entire team to participate during the morning session of the agency meeting on Jan 18. In the afternoon there will be a discussion of the cooperating agency work plan. Molly, Matt, and I will participate in that discussion. Are you interested in calling in for that part of the meeting? Attached is the agenda.

It is not clear yet whether the Corps will be bringing an attorney, which will determine whether or not we include attorneys.

Patty
